IT'S OFFICIAL!

Voted Best Margarita in Town.

Thank You

We feel privileged to be serving our Minneapolis community and are humbled and grateful for the outpouring of support we have received during the *Minneapolis St. Paul* magazine's **March's Margarita Madness** contest. In honor of being voted the **Best Margarita** in town by it's readers, we will be donating a percentage of profits from all Primero Impacto Margarita sales through the end of April to Jack's Basket, a non-profit that celebrates babies with down-syndrome.

~ Muchísimas gracias. Rebecca
